

## INDUSTRIES

During the last more than 50 years there has been substantial growth in industrial sector in the N C T of Delhi. The growth has been attributed due to better road transport, telecommunication network, and regular power supply, Liberalization and economic policies has brought deregulation and industrial policy requirements for investment and expansion. But simultaneously there has been growth of industries in unorganized sector drawing the attention of related quarters and constant monitoring by the Hon'ble Supreme Court. This has resulted in establishment of new industrial estates like Bawana and Bhorgarh for resettlement of industries which were operating in the residential areas.

### RELOCATION SCHEME

#### Present status regarding allotments made, payments received and possession given

Allotments of flatted factories and developed indl plots have been made to 22749 applicants by draw of lots in the newly developed indl area of Bawana and already developed areas at Narela, Badli, Jhilmil and Patparganj. Water polluting industries were given allotments on priority basis in Narela and Badli while units falling under 'F' category of Master Plan of Delhi were given priority allotments in Bawana Indl Area.

Details are given below:

Sl. No.	Name of Complex	Total No of allotments made	Total No. of Allottees who Have made 100% cost of plot/flat	Total No of Allottees of Bawana – II who have deposited 50% cost of Plotes as demanded so far	Total No.of Possession Approved	Total No.of allottees who have taken Physical possession At Site
1	BAWANA	16266	15810	-	14657	11524
2	BAWANA-II	4351	-	4103	-	-
3	JHILMIL	96	96	-	96	94
4	NARELA	1509	1488	-	1394	1133
5	BADLI	87	87	-	86	83

6	PATPAR-GANJ	76	76	-	76	75
7	FLATTED FACTORIES	364	252	-	247	233
	<b>TOTAL</b>	<b>22749</b>	<b>17809</b>	<b>4103</b>	<b>16558</b>	<b>13142</b>

DDA was requested to identify additional land for development of new industrial areas for relocating the remaining eligible applicants.

In addition, about 1000 acre of land has been identified and notified under section 4 & 6 of Land Acquisition Act for development of Industrial Estate.

### **1. Direction and Administration (Rs.10 Lakh)**

Industries Department is presently dealing with the relocation of Industries from non-confirmation/ residential areas to conforming areas and also dealing with the project of setting up of Common Effluent Treatment Plant (CETPs) as per orders of Hon'ble Supreme Court. The Government of NCT of Delhi has notified CETP Act-2000. Rules framed thereunder. The Competent Authority in this regard is Industries Department. For its active implementation and increase in work load of other units 10 posts of JAO, librarian, UDC, LDC and Peon are proposed to be created during the Annual Plan 2009-10:-

### **2. Grant in Aid for industrial Pollution Control ( Rs 3000.00 lakhs )**

With a view to contain Water Pollution in the Industrial Estates. 15 Common Effluent Treatment Plants were to be established. However, monitoring committee constituted by the Supreme Court has suggested that three CETP's at Okhla, Anand Parbat and Mohan Co-operative are not to be constructed.

Construction of following 10 CETPs have been completed & after their trial run successfully, 9 CETP,s have been finally handed over to the respective CETP society for their operation and maintenance:

- |                    |                            |
|--------------------|----------------------------|
| 1. Nangloi         | 5. Jhilmil Industrial Area |
| 2. G T Karnal Road | 6. Okhla                   |
| 3. Mayapuri        | 7. Badli                   |
| 4. Mangolpuri      | 8. Wazirpur                |
| 9. SMA             | 10. Lawrence Road          |

Two CETPs at Naraina and Najafgarh are under construction at a very slow pace because of paucity of funds as reported by DSIIDC.

Construction of following three CETPs have been kept in abeyance as per the direction of EPCA.

- i. Anand Parbat
- ii. Mohan co-operative societies
- iii. Okhla Industrial Estate

An outlay of Rs.3000 lakh is proposed for this scheme for the Annul Plan 2009-10.

### **3. GRANT-IN-AID TO SOCIETY FOR SELF EMPLOYMENT (Rs.100.00 Lakh):**

The Society for self-Employment a registered Society was established in the year 1986. The aims and object of the society are to give training to the young Generation of weaker section of the Society so that they may earn their livelihood by getting themselves Self Employed or get gainful employment.

The society is providing short term training ranging from 4 months to 12 month in the traders of repair of Radio & TV, Fashion Designing , repair and maintenance of household electrical appliances , Refrigeration and Air-condition.

The Society for self-Employment has fixed a target of training to 400 candidates in different trades during the year 2009-10. It has also been decided to start new training programme in the trade of "Repair and Maintenance of Mobile phone/Cell phone" very shortly. Rs.100.00 lakhs is proposed for the year 2009-10.

### **4. PROMOTION, MARKETING, EXHIBITION AND PUBLICITY (Rs.90.00 lakh as Revenue)**

#### **(A) General Activities :-**

Under this scheme, the Govt. of Delhi organizes Trade Fairs and Exhibitions, besides, publicity of the entire Department is made and the expenditure is booked under this scheme. Basically, the major component of the outlay is spent on participating in India International Trade Fair at Pragati Maidan which is held every year from 14th to 27th November.

The Industries Department has also decided to organize 2-3 handloom/handcarts bazaars in Delhi with a view to popularize the handloom and handicraft items manufactured by handicrafts artisans and handloom weavers in Delhi. The expenditure under this account is also to be booked under this scheme.

## **(B) International Activities**

### **PARTICIPATION IN INTERNATIONAL TRADE FAIRS AND EXHIBITIONS**

To encourage the small scale industries of Delhi to participate in such trade fairs and exhibitions, the department proposes to give subsidy to them for participation. Some kind of assistance may also be provided for taking trade delegations and study teams. The assistance can be provided either through DSIIDC or by the Deptt. of Industries directly.

In view of the general and international activities mentioned above a provision of Rs. 90.00 lakhs under Revenue Head proposed for the Annual Plan for the year 2009-10.

#### **5. DELHI INSTITUTE OF TOOL ENGINEERING (Rs.700.00 lakh)**

The Societies of Tool Room & Training Center, Wazirpur Industrial Area, Delhi-110052 and Hi-Tech Vocational Training Center, Okhla Industrial Area, New Delhi, have been amalgamated in consultation with the Department of Law & Finance, Govt. of NCT of Delhi, and the amalgamated Society has been renamed as "DELHI INSTITUTE OF TOOL ENGINEERING' (DITE). The Delhi Institute of Tool Engineering has come into existence with effect from 28-11-07 and is functioning from Wazirpur and Okhla Industrial Areas. The training courses, manufacturing of tool, undertaking of job work and other related activities which were being carried out by the TRTC and HTVTC are now being carried out in the name of Delhi Institute of Tool Engineering. The new engineering course of B.Tech. Tool Engineering has been started in addition to existing diploma courses. The institute has proposal to start M.Tech (Part time) course in its future expansion programme. An outlay of Rs. 700 lakh is proposed for providing funds to DITE. The institute is proposed to be made self-sustained in future.

#### **6. Scheme for Upgradation /Improvement of Civic Infrastructure in the Industrial Estates of Delhi – By PWD (Rs. 75.00 Lakh)**

With a view to provide basic civic infrastructure in the industrial estates/areas, the Government of NCT of Delhi has formulated a scheme for upgradation/improvement of infrastructure in participation with the industries owners both in terms of financial contribution and also in decision making for such upgradation.

To begin with, the scheme will be confined to the 9 industrial estates/areas:-

a. **Scope of works to cover :**

- (i) road service dressing;
- (ii) horticulture;
- (iii) storm water drain;
- (iv) water tanks;
- (v) water line;
- (vi) public toilets;
- (vii) sewage;
- (viii) disposal of malba;
- (ix) street lights and high mast lights; and
- (x) common facility centre

b. 85% of the total cost of the work shall be met out of the plan scheme of upgradation /improvement of civic services of industrial estates and 15% of the total cost shall be borne by the industrial Association of the area / Federation of Association/Society of the industrial estates/areas.

c. GNCTD is now actively seeking private sector efficiencies in managing all infrastructure assets and the area as a whole, for this purpose, Industries Department has engaged a consultant to prepare approach paper. Rs.75.00 lakhs is proposed for this Scheme for the year 2009-10.

**7. Upgradation, Improvement & Handing over of Civic Services of Industrial Estate/Flatted Factory Complexes – By Industry Department (Rs. 101.00 lakh)**

There is a growing need to curtail the expenditure on the over all maintenance and upkeep of the industrial estates as well surroundings for which the department is seriously considering the involvement of the industries/allottees with the signing of MOUs at available space for plantation would be considered so that the feelings of participation under the Bhagidari System would be grown up. To organize seminars/conference alongwith technical experts so that the industrial sector may become more competitive, in the changed scenario of increasing competition from south East Asian countries especially China, and also due to the restrictions of polluting industries in Delhi.

As regards the civic amenities are concerned, the department would interact with the government agencies such as DISCOMS, DJB, MCD and others for proper cleanliness and for observing the continuance supply of water as well as electricity. It has been also found that the maintenance of roads etc. is not being properly carried out by the agency to whom the responsibility has been bestowed upon. Therefore the Delhi Government has decided to take up all such maintenance work under Bhagidari with the allottees restricting to those areas, which have not been

handed over to Municipal Corporation of Delhi for maintenance purpose. Such industrial areas are nine in Delhi.

The Delhi Govt. has approved a scheme under this Plan Scheme to provide financial support to industrial areas on the pattern of Bhagidari:

The works are to be executed by any Govt. agency like Delhi Industrial Development Corporation, Delhi Jal Board, Public Works Department, Delhi Tourism Development Corporation etc. Under the scheme 15% of the estimated cost has to be paid by the respective industrial estate association (where works are to be executed) and 85% will be funded by the Delhi Govt. through Industries Department under this plan scheme. The amount will be released to the respective executing agency.

#### **8. Udyog Sadan (Rs.25.00 Lakhs)**

The building of Industries Department has already been constructed named as "Udyog Sadan", wherein three more offices namely, and Pay & Accounts office No.XVII and XXIV have also been housed and have already been started functioning which is helping Industrial Entrepreneurs to get their problems addressed under one roof. Total cost of the Building including furniture etc. is estimated to be Rs 2590.00 lakhs approximately.

There is also a proposal for construction of two additional floors (5&6floor) at existing A&B Block of Udyog Sadan building. For this purpose process of getting approval from Finance Department (as EFC approval) is in progress. Rs.25.00 lakh is proposed for this Scheme for 2009-10

#### **9. Grant-in-Aid to Khadi & Village Industries Board - Rs.210.00 Lakh**

The Board is getting 100% Grant-in-Aid from Govt. of Delhi to meet all its Admn. & Estt. Expenditure. It has no other source of income of its own and all the establishment expenditure is being met from Grant-in-Aid. Due to increase in Dearness Allowance, Increments and other overheads etc. the allocation under this head during the year 2008-09 is proposed to the tune of Rs.210.00 lakh under Revenue Head.

#### **10. Rajiv Gandhi Swavlamban Rozgar Yojna (Rs.109.00 lakhs)**

This loan scheme has been approved by Govt. of Delhi to be implemented by the Board from the year 2004-05. However an allocation of Rs.109.00 lakh under Loan Head is proposed for this scheme during the year 2009-10.

#### **11. Organisation of Exhibitions (Proposed allocation Rs.10.00 lakh)**

To promote sale of khadi & village industries products and to make them easy available at door steps of the consumers specially during rebate period the Board proposes to organize exhibitions at various strategic locations of Delhi during the year 2009-10. The duration of these exhibitions will be seven to ten days and these will be conducted between 2<sup>nd</sup> October 2009 to March 2010. Hence, allocation of Rs.10.00 lakh is proposed under revenue head in Annual Plan 2009-10.

#### **12. Opening of Khadi Bhawan /Shops (Rs 5.00 Lakhs)**

A token provision of Rs.5.00 lakh is kept under Revenue Head for opening of Khadi Bhawan / shops at various location of Delhi.

#### **13. Publicity & Propaganda (Rs.5.00 Lakhs)**

Board has been given responsibility of implementing a new Scheme for Employment generation from the year 2009-10. Intensive Publicity of this Scheme is to be undertaken to make people aware about the Scheme . Special Advertisement are to be released in print media on special occasions like Independence day & 2<sup>nd</sup> October each year . In addition to this ,KVIC is also allocating fund each year under joint publicity with the condition of matching share from State Govt .Hence in order to get allocated fund from KVIC under Joint Publicity and for other publicity programme ,an amount of Rs 5.00 lakh is proposed under revenue head for Publicity & Propaganda in Annual Plan 2009-10.

#### **14. Rebate on Sale of Khadi (Rs.70.00 Lakhs)**

This rebate is granted to Registered Khadi Institutions on sale of Khadi products by them in NCT of delhi .This rebate is in addition to the rebate being provided by KVIC, Govt .of India . An outlay of Rs.70.00 lakh is proposed for this scheme for 2009-10.

### **HANDLOOM INDUSTRY**

#### **15. Promotion of Handlooms (Rs. 80.00 lakh)**

Under the scheme of promotion of handlooms, the following programs are being implemented:-

- A. Financial Assistance to Delhi sponsored candidates getting training at Indian Institute of Handloom Technology.
- B. Integrated Handlooms Development scheme [IHDS]
- C. Financial Assistance to the Handloom Organisations
- D. Strengthening of Handloom Organisations
- E. Assistance for Innovative Ideas & Publicity, Monitoring, Supervision, Training and Evaluation of Scheme
- F. Rebate on Sale of Handloom Cloth
- G. Handloom Weavers Welfare Scheme
- H. New Insurance Scheme for Handloom workers in the Co-operative Societies
  - i. Thrift Fund-cum-Saving Securitys
  - ii. Health Insurance Scheme (HIS)

**iii. Mahatama Gandhi Bunkar Bima Yojana (MGBBY)**

**I. Upgradation, Improvement and Handing over of Civic services of Handloom complexes**

Following two weaver colonies are covered under this scheme:-

**a. Weavers Colony at Bharat Nagar**

Department of Industries has set up a Weavers Colony at Bharat Nagar in 1976 on an area of 4.84 acres of land where 28 work sheds were got constructed out of which 20 sheds were allotted to 21 selected primary cooperative societies and Cooperative Bank and 8 work sheds to the Govt. of India for running Weavers Service Centre for the benefit of handloom weavers.

**b. Weavers Colony at Nand Nagri**

Department of Industries has also set up a Weavers Colony at Nand Nagari in 1983 on an area of 2.6 acres of land where 8 work sheds were got constructed out of which 5½ sheds were allotted to primary handloom cooperative societies and ½

Shed to Office, ½ shed to Delhi State Cooperative Bank, 1½ sheds to Society for Self Employment.

An outlay of Rs.80.00 lakh is proposed for 2009-10 for the above mentioned activities/ programmes.

#### **16. Promotion of Handicrafts (Rs.10 lakh)**

With a view to preserve the traditional heritage of handicrafts, various Apprenticeship Training Schemes (ATS) are being implemented by the Department of Industries in accordance with the pattern of the Govt. of India in various traditional crafts like Metal Crafts, Blue Art Pottery, Artificial Jewellery, Clay Modeling, Beads Work, Miniature Painting, Madhubani Painting, Patchitra, Kashmiri Chiken Works, Zari Zardozi, Marble Sculpture, Wooden Inlay/Wood Carving etc., under the expert guidance of Master Craft Persons of typically National and State Awardees and Craft Persons registered with the O/o Development Commissioner for Handicraft and Industries Department.

As per the pattern, each Master Crafts person is being paid wages @ Rs. 2000/- per month, lump-sum payment of Rs. 6000/- per course to Master Craft person for general alteration/ modification of training premises, water and electricity charges etc. Lump Sum amount of Rs.500/- per trainee per course to Master Crafts Person as compensation for wastage of raw material used during the training period and each trainee enrolled under the ATS is being paid the stipend @ of Rs. 300/- per month for the duration of the Course. The duration of the ATS ranges from 6 months to 12 months depending upon the intricacy of the crafts.

Further, in addition to these above Apprenticeship Training Schemes, the Deptt is also running a Carpet Weaving Training Centre (intake capacity 30 students both boys and girls) with one year duration and a Paper Craft and Paper Mache Centre (intake capacity 30 students exclusively for girls) with two years duration at Weaver's Colony, Bharat Nagar Delhi. The trainees in these centers are also being paid stipend at the rate of Rs. 400 per month per trainee.

The required training materials as per the requirement of each centre are being purchased from time to time to run these centers by the Department.

**17. Loan to Industrial Development Fund (Rs.100.00 Lakh)**

Loan of Rs.100.00 lakh proposed for Industrial Development Fund. The write up of the scheme will be finalised by the Industry Department.
